SPECIFIC PLAN AMENDMENT PROCEDURE

Below are the steps you are required to take for review of your Specific Plan Amendment application. Note that steps taken by staff, such as routing of your application to other departments or publishing of public notice, are not shown here.

The following steps are required of you, the applicant:

- a. The owner or agent of the property may submit to the planning department a written application to amend one or more of the specific plan regulations.
- b. The request shall be accompanied by documentation of unforeseen changes in the marketplace, government regulations or natural conditions that have occurred since plan adoption.
- c. The planning director shall determine if the amendment would result in a substantial change in plan regulations, which is a change in a:
 - 1) Density regulation, if the number of residences per acre increases by more than 10 percent or exceeds the maximum number of dwelling units (dwelling-unit cap) permitted within the plan; or
 - 2) Policy regulation, when the regulation is a policy or a variation of a policy contained in an applicable land use plan; or
 - 3) Design regulation, when change is to be made to quantified physical dimensions (such as buffers) which were established to adapt the plan to specific site characteristics or mitigate development impacts on the site and surrounding area; or
 - 4) Use regulation, when a use not otherwise permitted in the specific plan is sought.
- d. If the request is determined to be an insubstantial change, the proposed amendment shall require a noticed public hearing and action by the town council.
- e. If the request is determined to be a substantial change, the planning director shall refer the request to the commission for noticed public hearing and recommendation prior to public hearing by the town council.

Applicable timeframes are:

Application Type	Overall Timeframe
Specific Plan (New, 50 acres or less)	8 months
Specific Plan (New, greater than 50 acres)	12 months
Specific Plan (Insubstantial Change)	2.25 months
Specific Plan (Substantial Change)	3.25 months
General Plan Amendment (Minor)	2.25
General Plan Amendment (Major)	8.25 months

These timeframes assume:

- A complete application at the time of submittal;
- A one-month review period for staff; and
- A maximum of two submittals prior to submitting final documents for approval signature or scheduling a public hearing.

Note that time used by the applicant to make corrections after comments are sent out is not counted in these timeframes. For applications that require a public hearing, the timeframe ends on the date of the first public hearing.

The Town of Sahuarita will provide you with clarification of its interpretation or application of statutes, ordinances, codes, or authorized substantive policy statements as requested.

If you have any questions or require assistance throughout the application process, you may contact Orlanthia Henderson at (520)822-8851 or ohenderson@sahuaritaaz.gov.
