Neither the District nor the Municipality shall be liable (including to any contractor or assigns under any Acquisition Project Construction Contract) for payment of any Segment Price or for the costs of such Plans and Specifications except to the extent available, unrestricted proceeds of the sale of the Bonds are available for such purpose, and no representation or warranty is given that the Bonds can be sold or that sufficient, available, unrestricted proceeds from the sale of the Bonds shall be available to pay such Segment Price.

Section 5.3. To provide for costs of issuance of the first series of the Bonds if exchanged for Segments as provided in Section 4.1(c), moneys for such costs shall be advanced by the Infrastructure Seller on the date prior to delivery of the first series of the Bonds and returned immediately if such delivery does not occur.

## ARTICLE VI

MATTERS RELATING TO THE BONDS  
AND OTHER OBLIGATIONS OF THE DISTRICT

Section 6.1. (a) Upon dates established by the District Manager in his sole and absolute discretion at the request of the LLC, the District Board shall, from time to time, take all such reasonable action necessary for the District to issue and, if not otherwise provided herein, sell, pursuant to the provisions of the Act, an applicable amount of the Bonds in an amount sufficient to pay (or have the effect of paying) directly from the available, unrestricted proceeds thereof the total of all amounts due for the purposes of any construction contract pursuant to Section 2.2(b) for the Infrastructure and the Segment Prices for the Acquisition Infrastructure and costs of the Plans and Specifications for the Infrastructure to be acquired, established or reasonably expected to be established pursuant hereto plus all relevant issuance costs related thereto or the repayment of advances therefor.

(b) If the Bonds are not issued or if the available, unrestricted proceeds of the sale of the Bonds are insufficient to pay any or all of the amounts due described in Section 5.1(b) or all of the Segment Prices for the Acquisition Infrastructure and costs of the Plans and Specifications for the Infrastructure to be acquired, there shall be no recourse against the District or the Municipality for, and neither the District nor the Municipality shall have liability with respect to, such amounts so due or the Segment Prices for the Acquisition Infrastructure, except from the available, unrestricted proceeds of the sale of the Bonds, if any.

Section 6.2. (a) The District shall issue the Bonds in principal amounts to be determined by the District Board at the sole discretion of the District Board, the first series to provide for the acquisition or construction of the infrastructure described under the heading "First Series of the Bonds" in Exhibit "B" hereto and to repay the advance required by Section 5.3 and any subsequent series to provide for the acquisition of the infrastructure described under the heading "Subsequent Series of the Bonds" in Exhibit "B" hereto and related costs of issuance and Plans and Specifications therefor. The District shall not issue any series of the Bonds unless the corresponding series of the Bonds shall receive one of the four highest investment grade ratings by a nationally recognized bond rating agency or shall be sold in other than a "public sale" (as such term is used in the Act) and with restrictions on subsequent transfer thereof under such terms as the District Board shall, in their sole discretion, approve.

(b) The total aggregate principal amount of all of the series of the Bonds shall not exceed \$60,000,000.

(c) Except in the case in which the first series of the Bonds is exchanged for Segments as provided in Section 4.1(c), if necessary in the sole discretion of the District Board, the "sale proceeds" of the sale of each series of the Bonds shall include an amount sufficient to fund a reserve fund, which shall be a reserve to secure payment of debt service on that series of the Bonds, in an amount equal to the maximum amount permitted by the Code.

(d) For the first series of the Bonds and, if necessary, in the sole discretion of the District Board to regulate the tax rate to be levied to pay debt service on any subsequent series of the Bonds, for such subsequent series of the Bonds, in consideration of the obligations of the District as of the date of delivery of the Bonds and as a condition to the issuance of the corresponding series of the Bonds, a Standby Contribution Agreement shall be executed and delivered which provides, among the other matters provided for in this Section, that on the date of initial issuance and delivery of the corresponding series of the Bonds and in each Fiscal Year of the District thereafter, the LLLP and the LLC shall be liable and obligated to pay, jointly and severally, to the District an amount necessary to maintain the tax rate with respect to the Bonds at no more than \$4.69 per \$100.00 of net secondary assessed valuation for Total Debt Service, given the tax base of the District for such tax year and the debt service requirements of the Bonds for such tax year assuming a delinquency factor of five percent (5%) and after giving credit with respect to any such payment for any balance in the debt service fund for the Bonds. For the first series of the Bonds, to provide adequate assurances for payment of the amount due pursuant to the Standby Contribution Agreement, the Letter of Credit shall be deposited with a depository pursuant to a Depository Agreement. For the subsequent series of the Bonds, if necessary in the sole discretion of the District Board, to provide adequate assurances for payment of the amounts due pursuant to a Standby Contribution Agreement, if there is one, cash or a letter of credit shall be deposited in an

amount determined by the District Board with a depository pursuant to a Depository Agreement. Each Standby Contribution Agreement and each Depository Agreement shall have general terms acceptable to the District Board and shall be in a final form acceptable in the sole and absolute discretion of the District Manager. Such agreements shall specifically provide that amounts shall be payable by the LLLP and the LLC, or provided by such assurances, pursuant to a Standby Contribution Agreement or the Letter of Credit, or, for other than the first series of the Bonds, cash or a letter of credit, only if the District has for that tax year adopted a resolution authorizing the levy of a tax rate for Total Debt Service of at least \$4.69 per \$100.00 of net secondary assessed valuation. Notwithstanding the foregoing sentence, a tax rate of less than \$4.69 may be levied for such purpose without affecting the obligation that such amounts be so payable if there are tax collections which must be applied by applicable law to reduce such rate that cannot otherwise be applied legally before such rate must be set.

(e) Each of the Standby Contribution Agreements shall have specific terms which provide that the obligation of the LLLP and the LLC with respect to each of the Standby Contribution Agreements shall terminate upon the earlier of (A) payment in full of all of the outstanding Bonds or provision for such payment or (B) the first Fiscal Year in which principal of each series of the Bonds has started to be amortized for which the District Manager has received evidence satisfactory to the District Manager that, for at least three (3) consecutive Fiscal Years, a tax rate of \$4.69 per \$100 of net second-

ary assessed valuation of property within the boundaries of the District would have been sufficient to pay the Maximum Annual Debt Service. Such evidence shall consist of a written projection, prepared by the financial advisor of the District, that is based upon the application of such secondary tax rate in light of the actual net secondary assessed valuation of the property within the boundaries of the District for such Fiscal Year, assuming a delinquency factor equal to the greater of five percent (5%) and the historic, average, annual, percentage delinquency factor for the District as of such Fiscal Year and without credit for any fund balances or investment income accruing during such Fiscal Year. (After receipt of proof of satisfaction of such condition, the District Board shall approve in writing by affirmative action such termination, such approval not to be withheld unreasonably).

(f) Each of the Depository Agreements shall specifically provide in addition to the matters provided hereinabove that amounts held by the depository pursuant to a Depository Agreement shall be applied to supplement *ad valorem* property tax revenues of the District for the payment of Total Debt Service if amounts are not available for such purpose pursuant to the Standby Contribution Agreements and that the Letter of Credit or, for other than the first series of the Bonds, cash or a letter of credit shall be drawn to their full amount, payable to the District, upon, in the case of a letter of credit (including the Letter of Credit) the written demand of the Trustee to the institution supplying the letter of credit if any of the following occurs: (i) the nonpayment by the LLLP or the

LLC of any amount due pursuant to the Standby Contribution Agreements by the LLLP or the LLC (after expiration of any applicable notice and cure periods thereunder); (ii) the cancellation, termination or non-renewal of the letter of credit and a failure by the LLLP to substitute the letter of credit not less than thirty (30) days before its cancellation, termination or expiration date; (iii) in the case of the Letter of Credit, a reduction below the Minimum Tier 1 Leverage Ratio without the District having received within sixty (60) days after the date of such reduction a substitute for the Letter of Credit (which is in all respects the same as the Letter of Credit but has a Minimum Tier 1 Leverage Ratio or (iv) for other than the first series of the Bonds, such other events as determined by the District Board. Each of the Depository Agreements shall specifically provide that any remaining cash amounts or security instrument *in lieu* thereof held pursuant thereto shall be paid or released, respectively, to the LLC, upon the earlier of (1) payment in full of all of the outstanding Bonds or provision for such payment or (2) the first fiscal year of the District in which principal of that series of the Bonds has started to be amortized for which the District Manager has received evidence satisfactory to the District Manager that, for such Fiscal Year, a tax rate of \$4.69 per \$100 of net secondary assessed valuation of property within the boundaries of the District would have been sufficient to pay the Maximum Annual Debt Service. Such evidence shall consist of a written projection, prepared by the financial advisor of the District, that is based upon the application of such secondary tax rate in light of the actual secondary assessed valuation of the property within the

boundaries of the District for such Fiscal Year, assuming a delinquency factor equal to the greater of five percent (5%) and the historic, average, annual, percentage delinquency factor for the District as of such Fiscal Year and without credit for any fund balances or investment income accruing during such Fiscal Year. (After receipt of proof of satisfaction of such condition, the District Board shall approve in writing by affirmative action such termination and payment or release, as applicable, such approval not to be withheld unreasonably.) Prior to such payment or release, in the case of the first series of the Bonds, the face amount of the Letter of Credit shall not be subject to reduction until the Discounted Tax Revenues exceed \$75,000. Thereafter, on February 15 of each year, if the net secondary assessed valuation of property within the boundaries of the District used to levy taxes during the preceding August exceeded that used in the prior August, the difference between the Maximum Annual Debt Service and the Discounted Tax Revenues shall be calculated and the face amount of the Letter of Credit shall be subject to automatic reduction such that the face amount of the Letter of Credit is equal to five (5) times such difference.

(g) The first of the Reports shall cover the Projects to be financed with the first two series of the Bonds, and, to the extent possible, the first resolution for issuance of the Bonds shall provide for the issuance of both such series of the Bonds.

Section 6.3. Other than (1) this Agreement, (2) the Bonds and (3) any obligations necessary in connection with either of the

foregoing, the District shall not incur, or otherwise become obligated with respect to, any other obligations.

## ARTICLE VII

### ACCEPTANCE BY THE MUNICIPALITY

Section 7.1. Simultaneously with the payment of the related Segment Price or completion of construction of a Project, the Segment of Acquisition Infrastructure, to the extent of the interest retained by or for the benefit of the Infrastructure Seller therein, or the Project constructed is hereby accepted (including for purposes of maintenance and operation thereof if not theretofore provided) by the Municipality, subject to the conditions pursuant to which facilities such as the Acquisition Projects and the Projects so constructed are typically accepted by the Municipality and thereafter shall be made available for use by the general public.

## ARTICLE VIII

### INDEMNIFICATION AND INSURANCE

Section 8.1. (a) The LLLP and the LLC (1) shall, jointly and severally, indemnify and hold harmless each Indemnified Party for, from and against any and all losses, claims, damages or liabilities, joint or several, arising from any challenge or matter relating to the formation, activities or administration of the District in a manner not contrary to the terms hereof, or the proper carrying out of the provisions of this Agreement (but not for any matters which are related to the infrastructure which is not part of the Infrastructure), including particularly but not by way of limitation for any

losses, claims or damages or liabilities (A) related to any Project including claims of any contractor, vendor, subcontractor or supplier (noting that the LLLP is not a developer but is an indemnitor under this Article), (B) to which any such Indemnified Party may become subject, under any statute or regulation at law or in equity or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact set forth in any offering document relating to the Bonds, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or which is necessary to make the statements therein, in light of the circumstances in which they were made, not misleading in any material respect and (C) to the extent of the aggregate amount paid in any settlement of any litigation commenced or threatened arising from a claim based upon any such untrue statement or alleged untrue statement or omission or alleged omission if such settlement is effected with the written consent of the LLC (which consent shall not be unreasonably withheld) and (2) shall reimburse any legal or other expenses reasonably incurred by any such Indemnified Party in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the foregoing shall not apply to any loss, claim, damage or liability relating to or arising from the activities or administration of the District with respect to any portion of the Infrastructure that has been accepted by the Municipality pursuant to Section 7.1.

(b) Section 8.1(a) shall, however, not be applicable to any of the following:

(1) matters involving any gross negligence or willful misconduct of any Indemnified Party,

(2) any loss, claim, damage or liability for which insurance coverage is actually procured which names the District as an insured, in order to provide insurance against the errors and omissions of the District Board or the other representatives, agents or employees of the District and any loss, claim, damage or liability that is covered by any commercial general liability insurance policy actually procured which names the District as an insured (provided, however, that if either the LLLP or the LLC also has insurance coverage for any such loss, claim, damage or liability, claims shall be made first against such coverage),

(3) any loss, claim, damage or liability arising from or relating to defects in any Infrastructure that are not known to the LLC and are discovered two (2) years or more following acceptance thereof by the Municipality pursuant to Section 7.1 or

(4) matters arising from or involving any breach of this Agreement by the District or any other Indemnified Party.

(c) An Indemnified Party shall, promptly after the receipt of notice of a written threat of the commencement of any action against such Indemnified Party in respect of which indemnification may be sought against the LLLP and the LLC, notify the LLC in writing of the commencement thereof and provide a copy of the written

threat received by such Indemnified Party. Failure of the Indemnified Party to give such notice shall reduce the liability of the LLLP and the LLC by the amount of damages attributable to the failure of the Indemnified Party to give such notice to the LLC, but the omission to notify the LLC of any such action shall not relieve the LLLP and the LLC from any liability that any of them may have to such Indemnified Party otherwise than under this Section. In case any such action shall be brought against an Indemnified Party and such Indemnified Party shall notify the LLC of the commencement thereof, the LLLP and the LLC may, or if so requested by such Indemnified Party shall, participate therein or defend the Indemnified Party therein, with counsel satisfactory to such Indemnified Party and the LLC (it being understood that, except as hereinafter provided, the LLLP and the LLC shall not be liable for the expenses of more than one counsel representing the Indemnified Parties in such action), and after notice from the LLC to such Indemnified Party of an election so to assume the defense thereof, the LLLP and the LLC shall not be liable to such Indemnified Party under this Section for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof; provided, however, that unless and until the LLLP and the LLC defend any such action at the request of such Indemnified Party, the LLLP and the LLC shall have the right to participate at its own expense in the defense of any such action. If the LLLP and the LLC shall not have employed counsel to defend any such action or if an Indemnified Party shall have reasonably concluded that there may be defenses available to it and/or other Indemnified Parties that are

different from or additional to those available to the LLLP and the LLC (in which case the LLLP and the LLC shall not have the right to direct the defense of such action on behalf of such Indemnified Party) or to other Indemnified Parties, the legal and other expenses, including the expense of separate counsel, incurred by such Indemnified Party shall be borne by the LLLP and the LLC.

(d) Subject to Section 8.1(b)(2), the LLLP and the LLC shall not have any obligation to indemnify or hold harmless any Indemnified Party until such time that the Indemnified Party has exhausted all other insurance, risk retention or other indemnification options or remedies available to it. In the event that the insurance, risk retention or other indemnification options or remedies of the Indemnified Party are insufficient to reimburse the Indemnified Party for its actual losses, claims, damages or liabilities, then, and only then, shall the Indemnified Party have a right to indemnification from the LLLP and the LLC, and only to the extent that indemnification by the LLLP and the LLC will be secondary to, and in excess of, the primary insurance, risk retention or other indemnification options or remedies of the Indemnified Party.

Section 8.2. To the extent permitted by applicable law, the District shall indemnify, defend and hold harmless each Indemnified Party for, from and against any and all liabilities, claims or demands for injury or death to persons or damage to property arising from, in connection with, or relating to the performance of this Agreement. The District shall not, however, be obligated to indemnify the District Indemnified Parties with respect to damages caused by the

negligence or willful misconduct of the District Indemnified Parties. The District shall not indemnify, defend and hold harmless the Municipality with respect to matters relating to public infrastructure owned by the Municipality.

## ARTICLE IX

### PAYMENT OF CERTAIN EXPENSES AND COSTS

Section 9.1. To provide for expenses and costs for agents or third parties required to administer the Bonds, levy and collect *ad valorem* taxes for payment of the Bonds, prepare annual audits and budgets and any purposes otherwise related to such activities of the District, amounts shall be budgeted by the District Board each Fiscal Year in the District Budget for such purposes and shall be paid from amounts available from the tax levy described in Section 6.2(d).

Section 9.2. (a) To provide for the payment of the District O/A Expenses and the District O/M Expenses, the District Board shall levy all or a portion of the O/M Tax and shall apply the collections of the O/M Tax *first* to pay the District O/A Expenses and *second* to pay the District O/M Expenses. The District shall only levy the O/M Tax in an amount necessary for the District O/A Expenses and the District O/M Expenses reflected in the District Budget for the Fiscal Year of the District and only in reasonable amounts therefor.

(b) To the extent the collections of the O/M Tax are not sufficient to pay the District O/A Expenses and the District O/M Expenses, the LLLP and the LLC shall, to the extent of reasonable amounts necessary therefor, and in an amount not to exceed \$30,000 applicable to each Fiscal Year, be liable and obligated, jointly and

severally, to pay or, on a reasonable basis acceptable to the District Manager in his sole discretion, obligate a homeowner's or similar association to pay, to the District within 30 days of receipt of an invoice for any budgeted shortfall with respect to the O/A Expenses and the O/M Expenses reflected in the District Budget for the Fiscal Year of the District then applicable.

(c) Upon receipt of the annual independent audit of the financial statements of the Municipality, which includes an audit of the financial statements of the District, the District shall determine whether the amount paid by the LLLP and the LLC as provided above was insufficient, or in excess of the amount actually expended, and shall provide notice of these findings to the LLLP and the LLC. Within 30 days of the date of such notice, if the amount paid by the LLLP and LLC was determined to be insufficient, the LLLP and the LLC will pay the shortfall to the District, provided that the total amount paid by the LLLP and the LLC for such previous year shall not exceed an aggregate amount of \$30,000. Within 30 days of the date of such notice, if the amount paid by the LLLP and the LLC was determined to be in excess of the amount actually expended, the District shall pay the LLLP and the LLC the amount of such excess payment. The obligations in subsection (b) and (c) shall only be effective until the Fiscal Year after the Agreement Buildout.

(d) Until the Agreement Buildout, the LLLP and the LLC shall, to the extent of reasonable amounts necessary therefor, be liable and obligated, jointly and severally, to pay or, on a reasonable basis acceptable to the District Manager, obligate a homeowner's

or similar association to pay, the LLC/LLLP O/M Expenses. The parties intend that this obligation will be satisfied by the LLLP and the LLC, or a homeowner's or similar association, directly providing the landscaping maintenance and paying the related costs thereof. At any time, the District may, but is not obligated, to include the LLC O/M Expenses in the District O/M Expenses.

Section 9.3. \$30,000 has been deposited on account to be applied by the Municipality in its sole and absolute discretion to pay Initial Expenses upon written demand by the District Manager. When \$20,000 of the \$30,000 deposit is expended, an accounting will be made to the LLC of all amounts incurred by the Municipality for the Initial Expenses to date, and the LLLP and the LLC shall be liable and obligated, jointly and severally, to provide additional funds as necessary for the Initial Expenses in an amount requested by the Municipality which must be paid forthwith and which shall thereafter be the subject of a similar accounting. Amounts paid pursuant to this Section by the LLLP and the LLC which may be reimbursed under applicable law to the LLLP and the LLC from the proceeds of the sale of the Bonds shall, at the request of the LLC and to the extent of available amounts therefor, be included as part of the purpose of the Bonds. The obligations of the LLLP and the LLC pursuant to this Section shall only be effective until the July 1 after the date that the first collections of the O/M Tax are received by the District.

## ARTICLE X

MISCELLANEOUS

Section 10.1. None of the Municipality, the District, the LLLP or the LLC shall knowingly take, or cause to be taken, any action which would cause interest on any Bond to be includable in gross income for federal income tax purposes pursuant to Section 61 of the Code.

Section 10.2. (a) To provide evidence satisfactory to the District Manager that any prospective purchaser of land within the boundaries of the District has been notified that such land is within the boundaries of the District and that the Bonds may be then or in the future be outstanding, the Disclosure Statement shall be produced by the LLC; provided, however, that the Disclosure Statement may be modified as necessary in the future to adequately describe the District and the Bonds and source of payment for debt service therefor as agreed by the District Manager and the LLC.

(b) The LLC shall or shall require that the LLC or each homebuilder to whom the LLC has sold land:

(1) cause any purchaser of land to sign the Disclosure Statement upon entering into a contract for purchasing such land;

(2) provide a copy of each fully executed Disclosure Statement to be filed with the District Manager and

(3) provide such information and documents, including audited financial statements to any necessary repository or depository, but only to the extent necessary

for the underwriters of the Bonds to comply with Rule 15c2-12 of the Securities Exchange Act of 1934.

Section 10.3. This Agreement shall be binding upon and shall inure to the benefit of the parties to this Agreement and their respective legal representatives, successors and assigns and the rights and obligations under the Agreement are attached to and run with the Property; provided, however, that none of the parties hereto shall be entitled to assign its rights and obligations hereunder or under any document contemplated hereby without the prior written consent of the other parties to this Agreement, which consent shall not be unreasonably withheld. Except for the "hold harmless" provisions of Section 8.1 and Section 10.21, this Agreement shall not create conditions or exceptions to title or covenants running with any individual lots or tracts into which the Property is subdivided. Any title insurer can rely on this Section when issuing any commitment to insure title to any individual lot or tract or when issuing a title insurance policy for any individual lot or tract. So long as not prohibited by law, this Agreement shall automatically terminate as to any individual lot or tract (and not in bulk), without the necessity of any notice, agreement or recording by or between the parties, upon conveyance of the lot to a homebuyer or commercial purchaser by a recorded deed (or conveyance of a tract to a homeowner association or governmental authority). For this Section, "lot" shall be any lot upon which a home or commercial building has been completely constructed and approved to be occupied that is contained in a recorded subdivision plat that has been approved by the Municipality.

Section 10.4. Each party hereto shall, promptly upon the request of any other, have acknowledged and delivered to the other any and all further instruments and assurances reasonably requested or appropriate to evidence or give effect to the provisions of this Agreement.

Section 10.5. This Agreement sets forth the entire understanding of the parties as to the matters set forth herein as of the date this Agreement is executed and cannot be altered or otherwise amended except pursuant to an instrument in writing signed by each of the parties hereto; provided, however, that such an amendment shall be effective against the LLLP, the LLC and the District only if such amendment does not amend Sections 7.1, 8.3 or 9.3 and shall be effective against the LLLP, the LLC, the District and the Municipality, as applicable, only if such amendment only amends Sections 7.1, 8.3 or 9.3 as it relates to the Municipality. This Agreement is intended to reflect the mutual intent of the parties with respect to the subject matter hereof, and no rule of strict construction shall be applied against any party.

Section 10.6. Compliance by the District with the provisions hereof shall be considered satisfaction on behalf of the Municipality of the corresponding requirements thereof of the Land Development Agreement.

Section 10.7. This Agreement shall be governed by and interpreted in accordance with the laws of the State.

Section 10.8. The waiver by any party hereto of any right granted to it under this Agreement shall not be deemed to be a waiver

of any other right granted in this Agreement nor shall the same be deemed to be a waiver of a subsequent right obtained by reason of the continuation of any matter previously waived under or by this Agreement.

Section 10.9. This Agreement may be executed in any number of counterparts, each of which, when executed and delivered, shall be deemed to be an original, but all of which taken together shall constitute one and the same instrument.

Section 10.10. (a) The Municipality and the District may, within three years after its execution, cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of the Municipality or the District, respectively, is, at any time while this Agreement is in effect, an employee or agent of the LLLP or the LLC in any capacity or a consultant to any other party of this Agreement with respect to the subject matter of this Agreement and may recoup any fee or commission paid or due any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of the Municipality or the District, respectively, from the LLLP or the LLC arising as the result of this Agreement. Neither the LLLP nor the LLC has taken and shall not take any action which would cause any person described in the preceding sentence to be or become an employee or agent of the LLLP or the LLC in any capacity or a consultant to any party to this Agreement with respect to the subject matter of this Agreement.

(b) To the extent applicable under Section 41-4401, Arizona Revised Statutes, the LLLP and the LLC each shall comply with all federal immigration laws and regulations that relate to their employees and their compliance with the "e-verify" requirements under Section 23-214(A), Arizona Revised Statutes. The breach by either of them of the foregoing shall be deemed a material breach of this Agreement and may result in the termination of this Agreement by the District. The District retains the legal right to randomly inspect the papers and records of the LLLP and the LLC to ensure that they are complying with the foregoing. The LLLP and the LLC shall keep such papers and records open for random inspections during normal business hours by the District. The LLLP and the LLC shall cooperate with the random inspections by the District including granting the District entry rights onto their property to perform such random inspections and waiving their respective rights to keep such papers and records confidential.

Section 10.11. The term of this Agreement shall be as of the date of the execution and delivery hereof by each of the parties hereto and shall expire upon the earlier of the agreement of the District, the Municipality, the LLLP and the LLC to the termination hereof, April 1, 2065, and the date on which all of the Bonds are paid in full or defeased to the fullest extent possible pursuant to the Act.

Section 10.14. The headings or titles of the several Articles and Sections hereof and in the Exhibits hereto, and any table of contents appended to copies hereof and thereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Agreement.

Section 10.15. This Agreement does not relieve any party hereto of any obligation or responsibility imposed upon it by law; provided, however, that if the provisions of this Agreement conflict in any particular with those of the Land Development Agreement relating to the District, the provisions of this Agreement shall supersede and control those of the Land Development Agreement in all respects.

Section 10.16. No later than ten (10) days after this Agreement is executed and delivered by each of the parties hereto, the LLC shall on behalf of the Municipality and the District record a copy of this Agreement with the County Recorder of Pima County, Arizona.

Section 10.18. If any party hereto shall be unable to observe or perform any covenant or condition herein by reason of *Force Majeure*, then the failure to observe or perform such covenant or condition shall not constitute a default hereunder so long as such party shall use commercially reasonable efforts to remedy with all reasonable dispatch the event or condition causing such inability and

such event or condition can be cured within a reasonable amount of time.

Section 10.19. Whenever the consent or approval of any party hereto, or of any agency therefor, shall be required under the provisions hereof, such consent or approval shall not be unreasonably withheld, conditioned or delayed unless specifically otherwise limited as provided herein.

Section 10.20. Notwithstanding any other provision of this Agreement to the contrary, the provisions of Sections 7.1, 8.1, 8.2, 8.3, 9.3, 10.1, 10.3, 10.4, 10.5, 10.6, 10.7, 10.8, 10.9, 10.10, 10.11, 10.12, 10.13, 10.14, 10.15, 10.17, 10.18, 10.19, 10.20 and 10.21 are the only provisions that are effective against the Municipality for purposes of the Intergovernmental Agreement Act and as the Intergovernmental Agreement Act is intended to be applied for purposes of this Agreement.

Section 10.21. (a) Notwithstanding any provision of this Agreement to the contrary, no act, requirement, payment, or other agreed upon action to be done or performed by the Municipality or the District which would, under any federal, state, or municipal constitution, statute, charter provision, ordinance or regulation, require formal action, approval or concurrence by the Town Council or the District Board, respectively, shall be required to be done or performed by the Municipality or the District, respectively, unless and until said formal action of the Town Council or the District Board, respectively, has been taken and completed. This Agreement in no way

acquiesces to or obligates the Municipality or the District to perform a legislative act.

(b) Failure or unreasonable delay by any party to perform or otherwise act in accordance with any term or provision of this Agreement for a period of thirty (30) days (hereinafter referred to as the "Cure Period") after written notice thereof from any other party, shall constitute a default under this Agreement; provided, however, that if the failure or delay is such that more than thirty (30) days would reasonably be required to perform such action or comply with any term or provision hereof, then such party shall have such additional time as may be necessary to perform or comply so long as such party commences performance or compliance within said thirty (30) day period and diligently proceeds to complete such performance or fulfill such obligation. Said notice shall specify the nature of the alleged default and the manner in which said default may be satisfactorily cured, if possible. In the event such default is not cured within the Cure Period, any non-defaulting party shall have all rights and remedies that are set forth in the next subsection.

(c) Except as provided in subsection (b), the parties shall be limited to the remedies and the dispute resolution procedure set forth in this subsection and subsection (d). Any decision rendered by the Panel pursuant to the provisions of subsection (d) shall be binding on the parties unless and until a court of competent jurisdiction renders its final decision on the disputed issue, and if any party does not abide by the decision rendered by the Panel during the pendency of an action before the court of competent jurisdiction

or otherwise (if no court action), any other party may institute an action for money damages on the issues that were the subject of the Panel's decision and/or any other relief as may be permitted by law.

(d) (1) If an event of default is not cured within the Cure Period, any non-defaulting party may institute the dispute resolution process set forth in this subsection (hereinafter referred to as the "Process") by providing written notice initiating the Process (hereinafter referred to as the "Initiation Notice") to the defaulting party.

(2) Within fifteen (15) days after delivery of the Initiation Notice, each involved party shall appoint one person to serve on an arbitration panel (herein referred to as the "Panel"). Within twenty-five (25) days after delivery of the Initiation Notice, the persons appointed to serve on the Panel shall themselves appoint one person to serve as a member of the Panel. Such person shall function as the chairman of the Panel.

(3) The remedies available for award by the Panel shall be limited to specific performance, declaratory relief and injunctive relief.

(4) Any party can petition the Panel for an expedited hearing if circumstances justify it. Such circumstances shall be similar to what a court would view as appropriate for injunctive relief or temporary restraining orders. In any event, the hearing of any dispute not expedited shall commence as soon as practicable, but in no event later than forty-five (45) days after selection of the chairman of the Panel. This deadline can be extended only with

the consent of all parties to the dispute or by decision of the Panel upon a showing of emergency circumstances.

(5) The chairman of the Panel shall conduct the hearing pursuant to the Center For Public Resources' Rules for Non-Administered Arbitration of Business Disputes then in effect. The chairman of the Panel shall determine the nature and scope of discovery, if any, and the manner of presentation of relevant evidence, consistent with the deadlines provided herein, and the parties' objective that disputes be resolved in a prompt and efficient manner. No discovery may be had of privileged materials or information. The chairman of the Panel upon proper application shall issue such orders as may be necessary and permissible under law to protect confidential, proprietary or sensitive materials or information from public disclosure or other misuse. Any party may make application to the Court to have a protective order entered as may be appropriate to confirm such orders of the chairman of the Panel.

(6) The hearing, once commenced, shall proceed from business day to business day until concluded, absent a showing of emergency circumstances. Except as otherwise provided herein, the Process shall be governed by the Revised Uniform Arbitration Act as enacted in the State.

(7) The Panel shall, within fifteen (15) days from the conclusion of any hearing, issue its decision. The decision shall be rendered in accordance with this Agreement and the laws of the State.

(8) Any involved party may appeal the decision of the Panel to the Court for a *de novo* review of the issues decided by the Panel, if such appeal is made within thirty (30) days after the Panel issues its decision. The remedies available for award by the Court shall be limited to specific performance, declaratory relief and injunctive relief. The decision of the Panel shall be binding on both parties until the Court renders a binding decision. If a non-prevailing party in the Process fails to appeal to the Court within the time frame set forth herein, the decision of the Panel shall be final and binding. If one party does not comply with the decision of the Panel during the pendency of the action before the Court or otherwise, then another party shall be entitled to exercise all rights and remedies that may be available under law or equity, including without limitation the right to institute an action for money damages related to the default that was the subject of the Panel's decision and the provisions of this subsection shall not apply to such an exercise of rights and remedies.

(9) All fees and costs associated with the Process before the Panel, including without limitation the fees of the Panel, other fees, and the prevailing party's attorneys' fees, expert witness fees and costs, shall be paid by the non-prevailing party or parties. The determination of prevailing and non-prevailing parties, and the appropriate allocation of fees and costs, shall be included in the decision by the Panel. Similarly, all fees and costs associated with an appeal to the Court or any appellate court thereafter, including without limitation, the prevailing party's attorneys' fees,

expert witness fees and costs, shall be paid by the non-prevailing party. The determination of prevailing and non-prevailing parties, and the appropriate allocation of fees and costs, shall be included in the decision by the Court.

**FORM OF DISCLOSURE STATEMENT****RANCHO SAHUARITA COMMUNITY FACILITIES DISTRICT**

## DISCLOSURE STATEMENT

Rancho Sahuarita Management Company, L.L.C., an Arizona limited liability company (the "Developer"), in conjunction with the Town of Sahuarita, Arizona (the "Town"), have established a community facilities district ("CFD") in part of the development known as "Rancho Sahuarita." The CFD has financed and, in the future, will finance certain public infrastructure improvements, which will result in a property tax liability for each property owner as a result of their property being within the boundaries of the CFD.

**BACKGROUND**

On September 30, 1988, the Arizona Community Facilities District Act became effective. This provision in State law was created to allow Arizona municipalities to form community facilities districts for the primary purpose of financing the acquisition, construction, installation, operation and/or maintenance of public infrastructure improvements, including water and sewer improvements.

**HOW THE CFD WORKS**

On March 24, 2014, the Mayor and Council of the Town formed the CFD which includes your property. An election was held on ....., 2014, at which time the then owners of the property within the CFD voted to authorize up to \$60,000,000 of *ad valorem* tax bonds to be issued over time by the CFD to finance the acquisition or construction of certain public infrastructure improvements. The improvements have been or will be dedicated to the Town after acquisition or construction of such improvements by the District. The Town will operate and maintain such improvements.

**WHAT WILL BE FINANCED?**

The CFD has been established to finance up to \$60,000,000 in public infrastructure improvements within the CFD including financing costs related to such improvements. The initial bond issue is expected to be approximately \$.....,000. The proceeds of this bond issue are currently expected to be utilized to finance the engineering, design and construction of roads, drainage, improvements, landscaping and sewer lines. In addition, it is anticipated that approximately \$.....,000 in bonds will be issued over the next ..... years for future phases of public infrastructure improvements in the CFD.

### **BENEFITS TO RESIDENTS**

The bond issues by the CFD will benefit all property owners and other residents within the CFD by providing such improvements. This benefit was taken into account by the Developer in connection with establishing the price of the lot on which your home is to be located. Each property owner in the CFD will participate in the repayment of the bonds in the form of a property tax in addition to the current property taxes assessed by other governmental entities. This added tax is currently deductible for purpose of calculating federal and state income taxes.

### **PROPERTY OWNERS' TAX LIABILITY**

The obligation to retire the bonds will become the responsibility of any property owner in the CFD through the payment of property taxes collected by the Pima County Treasurer in addition to all other property tax payments. **(PLEASE NOTE THAT NO OTHER AREA WITHIN THE BOUNDARIES OF THE TOWN (OTHER THAN QUAIL CREEK COMMUNITY FACILITIES DISTRICT) IS SUBJECT TO A PROPERTY TAX LEVIED BY ANY OTHER COMMUNITY FACILITIES DISTRICT.)** Beginning in fiscal year 20\_\_-\_\_, the CFD levied a not to exceed \$[total tax rate] per \$100.00 of net secondary assessed valuation tax rate to provide for repayment of the bonds and the payment of certain administrative expenses associated therewith and for the expenses of the CFD and of operation and maintaining the infrastructure it finances.

Although the level of the tax rate is not limited by law, the tax rate of the CFD is not expected to exceed \$4.99 per \$100.00 of secondary assessed valuation for as long as the bonds are outstanding. The tax rate will be maintained initially at the \$4.99 level by means of agreements with the Developer which require the Developer to provide for the difference above such \$4.99 rate. **(There can be no guarantee that the Developer will be able to make such payments in the future and, if it cannot, tax rates will be increased to provide for such repayment.)** As growth of the tax base occurs within the CFD, it is anticipated that such payments from the Developer will no longer be necessary if debt service is covered by the debt service portion of such \$4.99 tax rate at which time the District may release the developers from such obligations.

### **IMPACT OF ADDITIONAL CFD PROPERTY TAX**

The following illustrates the additional annual tax liability imposed by the CFD, based on varying residential values within the CFD and a \$4.99 tax rate:

**Market Value  
of Residence**

**Estimated Annual  
Additional Tax Liability\***

\$150,000	\$
200,000	
250,000	
300,000	
350,000	
400,000	

---

\*Assumptions:

1. Market value is not the same as full cash value as reported by the County Assessor, which is typically 85% of market value.
2. Assumes residential property assessment ratio will remain at 10%.
3. Tax amount is computed by multiplying the tax rate per \$100 of assessed value by full cash value times the assessment ratio.

Additional information regarding the description of infrastructure improvements to be financed by the CFD, bond issue public disclosure documents and other documents and agreements (including a copy of this Disclosure Statement) are available for review in the Town Clerk's office.

Your signature below acknowledges that you have read this disclosure document at the time you made your decision to purchase property in the CFD and you signed your purchase contract and that you understand the property you are purchasing will be taxed to pay the CFD bonds described above.
