Quail Creek CFD: \$703,690

STAFF RECOMMENDATION

Staff recommends approval.

SUGGESTED MOTION

I move to approve Resolution No. 32.

DISCUSSION

Presented for your approval is the Fiscal year 2018 Tentative Budget for the Quail Creek Community Facilities District in the amount of \$703,690.

The District, although a legally separate entity, is considered a blended component unit of the Town of Sahuarita for financial reporting purposes. Accordingly, the Town has established a separate fund (i.e., special revenue fund) to incorporate the District's financial records into the Town's financial reporting entity.

Quail Creek Community Facilities District Agenda Communication

The District levies property taxes up to \$3.30 per one hundred dollars of assessed valuation. The property tax rate is separated into an operational element and a debt service element. Up to \$0.30 of the rate may be used for operational expenditures including maintenance and administrative costs. The remaining \$3.00 may only be used for the payment of general obligation debt incurred by the District. The actual rate to be assessed is based upon estimated operational expenditures and required bond payments. Based upon our cost estimates and the District's preliminary net assessed valuation of \$15,803,367, the District will need to assess the full \$3.30 tax rate generating an estimated \$508,470 after allowances for uncollected amounts. Moreover, per existing development agreements, we anticipate the developer will be required to contribute approximately \$195,220 towards debt service costs. These contributions will be recorded as miscellaneous revenues.

Expenditures consist of (1) \$47,410 for operating costs to administer the District, maintain the Quail Creek Veterans Municipal Park and roadways and (2) \$656,280 for debt service, which includes refunding debt issuance costs.

A public hearing and final budget adoption is scheduled for the May 22nd Board Meeting. A notice will be published.
