

# SAHUARITA WORKS

SEPTEMBER/  
OCTOBER  
2018

Information about how Sahuarita works for you.

## Phase I of Quail Crossing Completed Early

With Phase I construction completed early, design of Phase II is moving forward. Design of Phase II, which extends from the end of Phase I to Old Nogales Highway, will begin this year and take about 18 months.

### Heidi Lasham, PE, ENV SP, Leads Wastewater Management & Planning

Senior Civil Engineer Heidi Lasham has many responsibilities for the Town of Sahuarita, but

none more important than the operations and planning of Sahuarita's Water Reclamation Facility.

A graduate from Purdue University with a bachelor's degree in Civil Engineering, Heidi is a registered engineer in the state of Arizona and was named *2012 Young Engineer of the Year* by the Arizona Society of Civil Engineers of Southern Arizona.

With 20 years' experience in engineering planning, design and construction management, Heidi is well equipped to help lead the Town's planning and policy development for pursuing delivery and treatment opportunities, while overseeing the design and construction of new infrastructure.

Heidi was named the *2018 Woman of the Year* by the Leukemia and Lymphoma Society for her commitment to fundraising for a cure. Her philosophy: If you can cure one form of cancer, you have the potential to cure others.

### Wastewater Emergency Contact Info

- **Monday through Friday, 8 a.m. to 5 p.m.** – Call Sahuarita's Public Works Department at (520) 344-7100
- **Nights and weekends** – Call 911, tell them your emergency and the Sahuarita Police Department will dispatch Wastewater personnel.
