Application Process:

- Review application and gather documents necessary to support information provided.
- Complete application in full and call (520) 822-8844 to schedule an appointment to review application and supporting documentation.
- Bring ALL supporting documentation listed on the application to the appointment, including:
 - Valid picture ID
 - Original Social Security cards for all household members **or** most recently filed Federal Tax Return showing applicable social security numbers for household members.
 - Income documentation (e.g., pay stubs, award letters, etc.)
- A Town representative will verify all supporting documentation against your application at the time of your appointment.
- The Town will notify you via phone call or email whether or not you qualify for financial assistance within five business days from the date of your appointment.

Financial Assistance (if eligible):

- The Town will provide financial assistance to eligible applicants, subject to budgeted funds available in the program.
- The program will pay for current monthly sewer charges up to \$100 per bill, for a maximum of four months.
- If eligible, no late penalty or interest charges will be accrued on your active account during the time of assistance.
