Governor's Guidelines Affect Town's Park Amenities

SAHUARITA, Ariz. — Governor Ducey's Office has issued additional guidelines (in effect no later than 5 p.m., April 4) that will close many Town of Sahuarita park amenities. These guidelines were issued with reference to Executive Order 2020-18 (Stay Home, Stay Healthy, Stay Connected) and the previous executive order 2020-12.

In keeping with the governor's guidelines, Town of Sahuarita fields and paths will remain open, but not for organized sports. Park patrons are asked to observe social distancing of six feet. At the direction of the governor, amenities provided by public parks that do not allow for recommended physical distancing or hygiene will be closed, these include:

- Tables and ramadas
- All sports courts
- Skate parks
- Dog parks
- Playground equipment
- Public restrooms

For more information on how essential business services have been further defined, and exceptions provided for in-home health care, please see the media release issued by the governor's office on April 3.
