

## Protect Our Pipes and Environment

# Grease, Trees & Electronics Recycling Event

**GREASE:** Help us break last year's record of 144 gallons of fats, oils and grease (FOG) – preventing clogged sewer lines that result in sewer backups, overflows and often attracts roaches.

Cooking oils only – NO motor oil accepted

**TREecycle:** Your Christmas tree is a sustainable resource. Remove everything from the tree – stand, lights, ornaments, wire, and tinsel before bringing it to our recycling event.

**ELECTRONICS:** Recycle old, unused, or unwanted electronics.

### Acceptable Electronics Recycling

- ✓ Computers (secure hard drive shredding on site)
- ✓ TVs (all old tube/box TVs - additional fee), DVD players/VHS players, stereos
- ✓ Microwaves, coffee makers, large appliances (refrigerators, washers/dryers)
- ✓ Cell phones, house phones, video game systems

For questions regarding "electronics," call Suburban Miners – 520-406-7446
