Information about how Sahuarita works for you

Recycling Event Success! Sahuarita Cares

On January 14th, Sahuarita residents brought their recyclables to the 18th Annual One Stop Recycling Event.

The Town collected more than 150 gallons of grease, enough electronics and appliances to fill a very large truck, and 20 Christmas trees. The Food Bank also collected some much-needed food

and recycled cardboard.

Thank you for continuing to help us dispose responsibly for a beautiful Town and healthy environment.
