### FINANCIAL / BUDGET SUMMARY

Establish Tentative Budget: \$1,082,870

### SUGGESTED MOTION

I move to adopt Resolution No. 45.

### EXECUTIVE SUMMARY

This agenda item provides the District Board an opportunity to approve the Tentative Budget for fiscal year 2024 and to establish June 26, 2023 as the date for final budget and tax levy adoption.

### DISCUSSION

Staff will provide a presentation on the Tentative Budget at the meeting.

If the Resolution is approved, public notices for the established meeting where the Board will consider adopting the final budget and tax levy will be posted and published in accordance with State law.

**REVENUES****Property Taxes**

The District levies a property tax to (1) pay for debt service obligations and (2) pay for operations and maintenance (O&M) costs.

- 1) The debt service tax rate is determined by calculation based on the assessed valuation of property within the District. Pursuant to the Development Agreement, however, this rate is capped at \$3.00 per \$100 net taxable assessed valuation (NTAV).

The District's debt service levy rate currently is \$2.73/\$100 NTAV. However, based on the County Assessor's preliminary assessments for fiscal year 2024, the tax rate to cover debt service may be reduced to a rate of \$2.38/\$100 NTAV. This rate will continue to decline as the District builds out and property values increase. Outstanding bonds will be paid off in 2030, at which point this levy will cease unless additional bonds are issued.

- 2) The O&M tax rate is capped at \$0.30/\$100 NTAV. The District has levied a rate of \$0.30/\$100 NTAV since the District was formed.

The proposed combined property tax rate levy for 2024 is \$2.68/\$100 NTAV. This is expected to generate \$1,062,720, including allowances for uncollectible amounts.

**Investment Income**

Property tax collections are held in trust, earning interest income, until debt service obligations are paid.

**Developer Contributions**

No developer contributions are budgeted for fiscal year 2024. As property valuations are sufficient to cover debt service obligations, the Master Developer's stand-by contribution payment is no longer needed.

**EXPENDITURES****Current Expenditures**

The proposed 2023 budget is \$127,900. This budget provides the capacity to pay for the following:

- 1) General administrative costs
- 2) Street, right-of-way, and landscaping maintenance costs along public roads in the District
- 3) A portion of the Quail Creek Veterans Municipal Park maintenance costs (remaining costs are paid for out of the Town of Sahuarita General Fund)

**Debt Service**

These costs include bond principal and interest and other costs such as bank trust fees. The principal is paid once a year. Interest is paid semi-annually.

In 2006, the District issued \$12.66 million in bonds to pay for roadways, portions of the Quail Creek Veterans Municipal Park, wash crossings, landscaping, and sewer lines. \$6.64 million of principal remains outstanding. The bonds will be paid off in 2030.

**FUND BALANCES**

## Quail Creek Community Facilities District Agenda Communication

There are no ending fund balances budgeted for 2024. The District is expected to consume all of its resources during the year.

### **STATEMENTS AND ESTIMATES**

Copies of the statements and estimates of expenses for fiscal year 2024 will be provided once available.

### **STAFF RECOMMENDATION**

Staff recommends the adoption of Resolution No. 45.
